The course is ECM accredited

Kudos to Maurizio Lodi Rizzini, PhD student at POLITO, for second place in the Young Researcher Prize ESVB2021 and to Vanessa Alimonti, PhD student at UNIGE for the IPAM 2021 award.

CONGRATULATIONS TO THE UNIVERSITY OF PISA AND UNIVERSITY OF GENOVA FOR PROJECTS IN THE FIELD OF ALTERNATIVES

The projects, funded by the Italian Ministry of Health, are related to the development of a human-based *in vitro* model for the identification of the aetiology of glaucoma and screening of new therapeutical strategies, and the development of an *in vitro-in silico* method for replacing forced inhalation tests for nanomaterial risk assessment ([read the news items](#)).

A WARM WELCOME TO ALL THE
NEW MEMBERS OF OUR
CENTER!
